CINNAMINSON TOWNSHIP COMMITTEE
October 19, 2026
Meeting Minutes

Mayor Horner announced that the Regular Meeting of the Township Committee was being held at 6:30 p.m. in the Municipal Building, 1621 Riverton Road, Cinnaminson, NJ 08077. This meeting is being held in accordance with the "Open Public Meetings Act," P.L. 1975 c.231, having been duly noticed to the Burlington County Times and the Courier Post on January 9, 2026.

In attendance: Mr. Conda, Mr. McGill, Dr. Taylor-Walls, Deputy Mayor Segrest, Mayor Horner

Also present: Eric Schubiger, Administrator; Julia Edmondson, CFO; Lisa Passione, Municipal Clerk; Jeff Caccese, Solicitor; William Obuchowski, Chief of Police; Kevin Gauntt, Superintendent of Public Works

Mayor Horner announced that this meeting is our Youth in Government meeting and introduced the Youth in Government participants from Cinnaminson Middle School.

YOUTH IN GOVERNMENT:

President:	Robbie Minniti will serve as Mayor Horner
Vice President:	Maddie Feeley will serve as Deputy Mayor Segrest
Secretary	Ben Lonardo will serve as Committee Member Taylor-Walls
BOE Liaison	Lilliah Marshall will serve as Committee Member McGill
Treasurer	Zoe Sztenderowicz will serve as Committee Member Conda
H & S Liaison	Kylie Orange will serve as Administrator Schubiger

Mayor Horner handed the meeting over to the students.

ACTING MAYOR MINNITI: First we have a proclamation for Cinna-Mission. Cinna-Mission is being recognized for its compassionate service and its efforts to bring residents together to help those in need. Founded by Bridget Quigley and Danny Amrhein, the group engages volunteers of all ages in preparing sandwiches and snack bags for food assistance organizations in Camden and Philadelphia and throughout our area. Its additional work preparing holiday stockings for victims of domestic violence reflects a commitment to kindness, generosity, and community involvement that is deserving of recognition by the Township.

Cinna-Mission

ACTING MAYOR MINNITI: The Police Department was recently notified that it has met all of the criteria and provisions of State accreditation. Accreditation Program Manager and Past President of New Jersey State Association of Chiefs of Police Harry J. Delgado is here to discuss the accreditation process and formally present the Police Department with accreditation.

ACTING MAYOR MINNITI: Can I please have Committee Member McGill, Acting Committee Member Marshall, and Mr. Delgado come to the front of the room? (Committee Member McGill will take over from here)

PRESENTATIONS:

Police Department Accreditation

Acting Mayor Minniti stated that Township Engineer Joseph Barbadoro of Remington & Vernick was recently awarded Second Place in the New Jersey Society of Municipal Engineers' Outstanding Roadway Improvement–Consultant category for the reconstruction of Pheasant Run Drive.

Acting Mayor Minniti presented an award to Mr. Barbador, along with Deputy Mayor Segrest, Acting Deputy Mayor Feeley.

COMMITTEE LIAISON REPORTS:
Committee Member Conda: Administration and Veterans Affairs
Committee Member McGill: Public Safety
Committee Member Taylor-Walls: Health and Senior Services
Deputy Mayor Segrest: Public Works and Finance
Mayor Horner: Parks and Recreation and Economic Development

Acting Committee Member Sztenderowicz: Administration and Veterans Affairs

Thank you Mr. Mayor,

I would like to take a moment tonight to issue my periodic reminder of this committee's ongoing efforts to better serve our community. We have several channels where residents can stay informed about what is happening in the township:

- The Township Website features calendars for meetings and events, contact information for township departments, trash and recycling details, and much more.
- GovPilot is integrated directly into our website—and available as a mobile app for iOS and Android—allowing you to easily report any issues that need attention.
- The Township Facebook Page keeps you up to date on all township-sponsored events, including concerts and community cleanup days.
- The Township YouTube Channel is where you can find recordings of past township meetings and events.
- And finally, the Township utilizes Nixle to send important information and alerts directly to your phone as text messages.

Upcoming Election Information

With the general election approaching, I would also like to issue my annual reminder that vote-by-mail and early voting options are available for the upcoming November 3rd election:

- Vote-by-Mail application forms are available at the Municipal Clerk's office in the Municipal Building or can be downloaded from the Burlington County Clerk's website. Please note that completed applications will not be accepted by email or fax.
- The last day to apply to receive a mail-in ballot by mail is Wednesday, October 28th. The last day to apply to receive one in person at the County Clerk's office is 3:00 PM on Monday, November 2nd.
- The ballots can be mailed directly to the county using the included envelopes, or can be dropped in the secure ballot box located at the front of the Cinnaminson Community Center.
- Early Voting is also available. The Cinnaminson Township Community Center has been selected as an early voting site. Early voting will be available from Saturday, October 24 through Sunday, November 1.
- The hours are Monday through Saturday 10:00 AM to 8:00 PM, and Sunday 10:00 AM to 6:00 PM.

This completes my report.

Acting Committee Member Marshall: Public Safety

For September 2026 are the following:

Total Incidents Responded:	3715
Total Cases:	98
Total Arrests:	45
Total Property Checks:	1098
Total Motor Vehicle Stops:	1134
Total Motor Vehicle Summons:	630
Total DWI Arrests:	4
Total Motor Vehicle Accidents	51
Of those MVAs, the number with injuries:	10
Approved Firearm Permits	12
Denied & Withdrawn Firearm Permits	0
Approved Concealed Carrying Permits	6
Denied Concealed Carrying Permits	0
Temporary Handicap Permits Issued	6

The Township uses Nixle to notify residents of important announcements, including public safety issues such as traffic closures. Approximately 5,000 residents are currently registered. Residents are encouraged to register to receive these important messages by visiting Nixle.com.

Cinnaminson, like every other town in our area, has experienced car thefts and car burglaries at record numbers. The Cinnaminson Police Department is doing everything it can to stop these crimes. The department is aware of several posts on social media that state the Cinnaminson Police Department is not doing anything to stop these crimes. However, we are doing everything we can to catch these criminals. We have added extra patrols and special details. That being said, catching these suspects is a significant challenge as Cinnaminson has 286 streets and 80.63 miles or roadway. On several occasions, officers have located these criminals in stolen vehicles but could

not pursue these vehicles as it would be a violation of the NJ Attorney General's pursuit guidelines. Cinnaminson is not alone with this issue, and every municipality in our area is experiencing the same problem. There are several task forces that have been created to identify, charge, and arrest the suspects. Some of the suspects are in organized criminal groups, and others are just random juveniles. The best way to stop these criminals is for our citizens to take the proper preventive steps so that they cannot gain access to vehicles. Ensuring that cars are locked is the first step. The second step, and most important, is to prevent "relay thefts" by putting key fobs into Faraday bags (a signal blocking pouch) and placing them in a cabinet in the center of the household. Relay Theft is where the signal from a key for a so-called "Keyless entry" car is captured by somebody standing outside the victim's house using a device. Once the person captures the signal, they can unlock and start the vehicle. The whole process can take only 10 to 30 seconds. The best way to prevent your keyless vehicle from being stolen is to make sure that your key fobs, including spares, are never placed by your doorway. The best place to put them is in the center of your residence, inside a cabinet, in a Faraday bag.

The Cinnaminson Police Department now has a new layout for its website. The website is constantly being updated and improved upon every day. The updated site has several new features for the benefit of our residents and visitors. These include, but are not limited to:

- The site is completely ADA compliant, which means that anyone who visits the website can instantly change the language to one that he/she comprehends.
- Second, there is a new alert system, where residents can sign up and receive instant alerts that are put on the website. This is similar and in addition to the Township's use of the Nixle Public Alert System.
- Residents can also register that they have cameras at their residence.

The department will soon start to list a weekly activity report as well as our monthly reports. There is also a new reporting portal that allows residents to register their alarm systems, requests for vacation/property checks, missing pets, as well as report minor incidents as well as other things.

We invite residents to visit the website to provide any input at records@cinnaminsonpolice.org

Acting Committee Member Lonardo for Health and Senior Services

Health & Wellness Forum - On September 30, the committee hosted the second forum in our health and wellness series, "Healthy Lifestyles for a Healthy Body and Mind." We were fortunate to welcome Dr. Edward Reis and Dr. Amishi Parekh, who shared practical guidance with residents on building and maintaining habits that support muscular strength and cardiac health, managing stress, and fueling the body with good nutrition. They also spoke about the importance of sleep and the role a resident's medical team plays in helping them stay well.
The evening was designed to be less of a lecture and more of a communal conversation, and that approach made a real difference. Residents asked questions, shared their own experiences, and connected with one another in meaningful ways. We are grateful to Dr. Reis and Dr. Parekh for their time, their expertise, and their openness with our community.

Community Health Initiatives: Breast Cancer Awareness Month - October is Breast Cancer Awareness Month. National Breast Cancer Awareness Month began in 1985 to promote mammography and help women understand the importance of screening. The pink ribbon is a widely recognized national symbol for this recognition. Today, wearing pink stands for hope, support for those who are fighting or have fought breast cancer, remembrance of those we have lost, and a shared commitment to early detection. A dedicated month of recognition matters because it brings the conversation into the open. It also reminds us that nearly everyone knows someone who has been affected.

There are services in Burlington County that may help. The NJ Cancer Education and Early Detection (NJCEED) Program at Virtua offers free breast, cervical, prostate, and colorectal cancer screenings to Burlington and Camden County residents who are uninsured or underinsured and meet income requirements. Services include clinical breast exams and referrals for mammograms, and residents can call (856) 247-7388 to check eligibility or schedule. Clark Family Breast Cancer Services in Cherry Hill, reachable at (856) 317-1876, provides referrals to free screenings, free educational workshops in community locations, and financial and transportation assistance for eligible residents of Burlington, Camden, and Gloucester Counties.

Partnerships & Outreach - The committee is working with the Burlington County Office on Aging to create direct connections to services for Cinnaminson residents, so that those who need support can be linked to the right resources more easily.

We would also like to highlight the SJ Connects Burlington County Shuttle, a free transportation option that began service on September 21 as part of an ongoing pilot program. The route connects Pennsauken, Palmyra, Cinnaminson, Moorestown, Maple Shade, and Mount Laurel. This

connection supports our breast cancer screening message. Getting to an appointment is a common barrier to preventive care, and the shuttle gives Cinnaminson residents a free way to reach medical offices for consultation and screening appointments. We encourage everyone to share this resource with neighbors, friends, and family, and to remind the women in their lives to schedule their screening.

Looking Ahead - The committee is encouraged by the engagement we have seen from residents and by the partnerships taking shape. Our focus now turns to planning for 2027, building on the momentum of our forum series, strengthening our relationships with county and community partners, and continuing to connect residents to the resources available to them. We look forward to reporting further progress at our next meeting.

Acting Deputy Mayor Feeley: Public Works and Finance

Cinnaminson Township hosted its annual Fall Clean Up Day on October 10. (132) vehicles participated in the clean up. (68) of the participants dropped of electronics totaling over 4,432 pounds of recycled items that has been diverted from the waste stream. These items normally would end up in the landfill but will now be recycled and made into new electronics.

The resurfacing of Parry Road between, New Albany Road and Ascot Drive, is tentatively scheduled for Tuesday, October 20. This work is expected to last for one day, weather permitting. Police will be present to direct traffic and residents as needed. Detours will be posted.

Township met with representatives from both New Jersey American Water and contractor Pioneer Pipe to review pavement restoration for the recent water main replacement project. Milling and paving operations are expected to start the week after Halloween. Residents affected by the paving will receive door hangers as well as notification signage will be posted on nearby utility poles. The following roads will either be receiving partial or full width paving:

a. Boxwood Lane
b. Willow Drive
c. Chestnut Lane
d. Walnut Place
e. Holly Lane
f. Laurel Drive
g. Lilac Lane
h. Jackson Street
i. Madison Street
j. Webster Street
k. Calhoun Street

Starting in November, Public Work Department personnel will begin collecting leaves throughout the Township. Section 1 will begin the week of November 2. Section 2 will begin the week of November 9. Section 3 will behind November 16. Section 4 will begin the week of November 23. This year, crews will be utilizing new equipment recently procured through the Township's capital improvement program. The new automated leaf vacuums are designed to make both the collection and recycling process more efficient. Once the leaves are collected curbside, the Township delivers the leaves to its recycling facility and employees will compost the leaves over the course of the year. Those composted leaves are then delivered to local farms, available for residents to be picked up to be utilized in gardens as well as used in the Township's tree removal project when the stumps are removed along roadways.

Acting Mayor Minniti Mayor's report for Parks & Recreation and Economic Development

I am pleased to provide an update on some important Economic Development work, along with Parks and Recreation initiatives in Cinnaminson Township.

We are indeed pleased that we continue to receive great interest in businesses wishing to relocate to Cinnaminson. Through October 15th of this year, just over 9 months, we the Township has processed 52 New Business Registrations for companies like Quartz America, Clean Air Group, Wellspring Counseling, United Defense Tactical, Jefferson-Solis Mammography and Tooth Town Pediatric. Also, in our Commercial and Industrial districts, we have new businesses moving in providing logistics, warehousing and last mile services. To support these planned businesses, I continue to work with my fellow Committee Members, staff, and professionals to find ways to encourage the NJ Department of Transportation to accelerate their planned improvements at the intersection of Taylors Lane and Route 130.

This continued and sustained interest is a result of thoughtful planning. Following up on Committee's prior direction, our professional planners and staff continue to work on finalizing the Redevelopment Plan for the Mainline Shopping Center and Sherwin Williams Plaza. I am pleased to appoint this evening a working group that will report to Township Committee various recommendations to reinvigorate this parcel and identify the highest and best uses, including possibly mixed uses for these two parcels. The members of the subcommittee are Township Committee Member Paul Conda, Planning Board Member Cindi Lamon, Zoning Board Member Nick Aninnos, former Mayor Ben Young, who played a critical role in authoring the Township's first Redevelopment Plan at the Shoppes at Cinnaminson, Director of Community Development Michael Minton, and resident Jamie Parson.

As part of our continued planning commitments, over the summer the Township, aided by our colleagues with the Burlington County Engineer's Office and our neighboring towns, have recently competed a Climate Change Related Hazard Vulnerability Assessment. This study identifies vulnerabilities associated with climate change, categorizes assets necessary in case of a disaster, examines critical infrastructure and provides strategies for overcoming theses shortfalls. The report will be invaluable in seeking special grant funding as well as guide for the Planning Board in updating the Master Plan. In addition, the Township Committee has directed the Planning Board to consider the findings contained within the Climate Vulnerability Assessment as they undertake the updating of the Master Plan. This update will also consider those permitted and prohibited uses within our nineteen (19) zoning districts as well as our inclusionary and cannabis overlay zones. Their efforts will make recommendations for future permitted uses, modifications to existing uses or identify new prohibited uses.

In addition, the Community Development office recently participated, along with our eleven (11) neighboring municipalities along the Route 130 corridor, in a kick off meeting to develop a Regional Environmental Resource Inventory. This study is designed to take a look at our natural features as well as our built environment and prioritize those assets with an eye towards sustainability. This inventory also will serve as a guide in the updated to the Township's Master Plan.

Finally, another planning study which is underway is a Parks and Open Space Master Plan. The goal of this study is to provide a consistent platform along all of these active and passive recreational areas. Major components of this comprehensive town-wide plan include:

- Facility Inventory, upgrades and expansions
- Bicycle and Pedestrian network analysis and recommendations
- Regional Trail connectivity
- Placemaking
- Branding
- Resiliency
- Sustainability
- Universal Accessibility

On the recreation program and activity front…

Our annual Trunk or Treat is scheduled for Friday, October 23, from 6:00 to 7:30 p.m., at the Memorial Park walking track. The evening will feature candy, costumes, music, prizes, and children's activities, with participation by our Police and Fire Departments. This event is for Cinnaminson residents, and anyone interested in decorating a trunk should register by emailing cturner@cinnaminsonnj.org. Children do not need to register. We look forward to bringing families together for a fun evening.

Our Women's Volleyball program began September 30 and continues on Wednesdays through early June. This recreational league provides Cinnaminson women ages 18 and older, at all skill levels, an opportunity to stay active, enjoy friendly competition, and connect with neighbors. We thank the participants and organizers for their involvement and wish everyone an enjoyable season.
I want to thank everyone who attended our Summer Concert Series at Wood Park. We appreciate residents spending their evenings with us and helping create such a welcoming community atmosphere. A special thank-you goes to all the bands and musicians who shared their talent and brought a wonderful variety of live entertainment to Cinnaminson. We also appreciate the staff and everyone behind the scenes whose work made these evenings possible.
Finally, looking ahead to December, we encourage residents to save the dates for two holiday traditions.

Our Holiday Celebration is scheduled for December 4, from 5:00 to 7:00 p.m., at Wood Park, featuring Santa, seasonal entertainment, and holiday festivities for the whole family. Our Holiday Home Decorating Contest will also return, with submissions due no later than midnight on Monday, December 7 and judging scheduled for Thursday, December 10 through Friday,

December 18, between 6:00 and 9:00 p.m. This free contest invites Cinnaminson residents to share their holiday spirit through outdoor decorations, with prizes awarded to the top three homes. Additional information and registration reminders will be shared as the holidays approach.

These programs and events offer opportunities to enjoy our parks, build friendships, and strengthen our sense of community. Thank you to the Township Committee for its continued support and to our residents for participating. Thank you.

STUDENT LIAISON REPORT:

Payton Parson, Cinnaminson High School, introduced herself as the class of 2028 liaison, a member of the drama club and the Homecoming committee, and the manager of girls lacrosse.

Preschool: Westfield students enjoyed a new wooded playground and a visit from Tooth Town Pediatric Dentistry. Classrooms also explored apples through taste tests, art, and stories, and practiced social-emotional skills during the Week of Respect.

New Albany School: September Pirates of the Month and Staff Member of the Month (counselor Ms. Aja Jones) were recognized. Students took part in Week of Respect activities, and families attended Literacy Night and the Book Fair on October 15th.

Eleanor Rush Intermediate: Third graders tackled STEM challenges, after-school clubs (flag football, yoga, creative arts) began, and spirit days promoted kindness and anti-bullying. Fourth graders were preparing for the Water Festival at Palmyra Cove. September Students of the Month and Staff Member of the Month (Mr. Noah Foerst) were celebrated.

Cinnaminson Middle School: Highlights included a pancake lab, solar system models, and a field trip to the Air Victory Museum for the new Aerospace and Aviation elective. Students of the Month and Staff Member of the Month (Mr. Dan McDonald) were honored, Week of Respect activities took place, and Pirate TV returned.

Cinnaminson High School: Affinity Reader Leaders visited New Albany for Hispanic Heritage Month, college and financial aid information went out to senior families, and 472 students took the PSAT. Mathletes began their season, and Homecoming week followed the "America 250" theme with a pep rally and dance.

Fall athletics and activities: Boys and girls soccer were both 8–0, girls tennis won its first nine matches, and Izzi Guthrie set a school career kills record in volleyball. The boys cross country team won the team merge at the Cherokee Challenge, and freshman Jimmy McKeon set a freshman 5K record. The marching band took first in its group with Best Music and Best Visual awards, and CHS hosted Bands of Gold with 13 visiting bands.

The district emphasized academic growth, positive relationships, inclusion, and community pride, and thanked staff, families, volunteers, and partners for their support.

CONSENT AGENDA:

Resolution 2026 – 115	Authorizing Submission of Grant Application for FY 2027 New Jersey Department of Transportation Safe Routes to School Program
Resolution 2026 – 116	Authorizing Designation of Curfew for Mischief Night and Halloween
Raffle	Food Bank of South Jersey (11/19/2026)

END OF CONSENT AGENDA

PUBLIC COMMENT ON CONSENT AGENDA ONLY:

Acting Mayor Minniti asked for a motion to open Public Comment on Consent agenda items only. MOTION TO OPEN PUBLIC COMMENT ON THE CONSENT AGENDA MADE BY ACTING COMMITTEE MEMBER MARSHALL, seconded by Committee Member Lonardo. Voice vote. All aye.

Mayor Horner asked for a motion to open public comment on the consent agenda. MOTION TO OPEN PUBLIC COMMENT ON THE CONSENT AGENDA MADE BY MR. MCGILL, seconded by Dr. Taylor-Walls. Voice vote. All aye

Seeing no one come forward Acting Mayor Minniti asked for a motion to close public comment. MOTION TO CLOSE PUBLIC COMMENT MADE BY _____, seconded by _____. Voice vote. All aye.

Seeing no one come forward, Mayor Horner asked for a motion to close public comment. MOTION TO CLOSE PUBLIC COMMENT MADE BY MR. CONDA, seconded by Mr. McGill. Voice vote. All aye.

Acting Mayor Minniti asked for a motion to approve the consent agenda. MOTION TO APPROVE THE CONSENT AGENDA MADE BY ACTING COMMITTEE MEMBER SZTENDEROWICZ, seconded by Acting Committee Member Marshall. Voice vote. All aye.
The consent agenda is was approved.

Mayor Horner asked for a motion to approve the consent agenda. MOTION TO APPROVE THE CONSENT AGENDA MADE BY MR. CONDA, seconded by Mayor Horner. Roll call vote. Mr. Conda – aye, Mr. McGill – aye, Dr. Taylor-Walls – aye, Deputy Mayor Segrest – aye, Mayor Horner – aye.

APPROVAL OF MINUTES:

October 5, 2026
October 5, 2026 Closed

Acting Mayor Minniti asked for a motion to approve the minutes of October 5, 2026, and October 5, 2026 Closed. MOTION TO APPROVE THE MINUTES MADE BY COMMITTEE MEMBER LONARDO, seconded by Acting Deputy Mayor Feeley. Voice vote. All aye

Mayor Horner asked for a motion to approve the minutes of October 5, 2026, and October 5, 2026 Closed. MOTION TO APPROVE THE MINUTES MADE BY DR. TAYLOR WALLS, seconded by Mayor Horner. Roll call vote. Mr. Conda – aye, Mr. McGill – aye, Dr. Taylor-Walls – aye, Deputy Mayor Segrest – aye, Mayor Horner – aye.

The minutes of October 5, 2026, and October 5, 2026, closed were approved
.

APPROVAL OF BILLS:

Acting Mayor Minniti asked for a motion to approve the bill list. MOTION TO APPROVE THE BILL LIST MADE BY ACTING COMMITTEE MEMBER MARSHALL, seconded by Acting Committee Member Sztenderowicz. Voice vote. All aye.

Mayor Horner asked for a motion to approve the bill list. MOTION TO APPROVE THE BILL LIST MADE BY MR. MCGILL, seconded by Mr. Conda. Roll call vote. Mr. Conda – aye, Mr. McGill – aye, Dr. Taylor-Walls – aye, Deputy Mayor Segrest – aye, Mayor Horner – aye.

STAFF AND PROFESSIONAL COMMENTS:

Acting Administrator Orange:
Good evening, Mayor, members of Township Committee, and residents of Cinnaminson.
It is an honor to serve as the Township Administrator for this year's Youth in Government Day. Today, my fellow students and I had the opportunity to tour the Municipal Building and Police Station, meet Township employees, and learn about the offices and services that help our community every day. Tonight, we are putting those lessons into practice by serving in different roles and conducting this Township Committee meeting.

One of the most important things we learned is that local government touches many parts of our daily lives. It helps keep our neighborhoods safe, maintains our roads and parks, provides recreation programs, and helps residents with questions and concerns. Behind each of these services are people working together to make Cinnaminson a better place to live.
We also learned that running a township involves making decisions, planning for the future, and using public resources responsibly. Township officials must listen to residents, consider different points of view, and work to meet the needs of the entire community. That takes teamwork, preparation, and respect for one another.

Youth in Government Day is a great program because it gives us the chance to experience things we might otherwise only read about in a classroom. We get to ask questions, see public service in action, and understand the responsibilities that come with leadership. Serving in these roles tonight helps us appreciate the work that goes into a public meeting and the decisions made here.
Although we are not yet old enough to vote, we are old enough to learn, share ideas, volunteer, and take an interest in our community. Learning how government works now helps prepare us to become informed voters, involved residents, and perhaps even future public servants.
On behalf of all the students participating, I would like to thank the Mayor and Township Committee, Township Administrator, municipal staff, and our teachers for making this experience

possible. Thank you for welcoming us, answering our questions, and giving us the opportunity to take part.

Today reminds us that local government works best when people care about their community and get involved. We are proud to be part of Cinnaminson, and we appreciate the chance to learn how we can help shape its future. That concludes my report. Thank you.

PUBLIC COMMENT:

Acting Mayor Minniti asked for a motion to open public comment. MOTION TO OPEN PUBLIC COMMENT MADE BY ACTING DEPUTY MAYOR MARSHALL, seconded by Acting Committee Member Lonardo. Voice Vote. All aye.

Mayor Horner asked for a motion to open public comment. MOTION TO OPEN PUBLIC COMMENT MADE BY DEPUTY MAYOR SEGREST, seconded by Mr Conda. Voice vote. All aye.

Renee Oler-Davis, 2108 Hunter Street thanked all of the students for their participation this evening and encouraged them to continue to take an interest in their township government.

Seeing no one else come forward, Acting Mayor Minniti asked for a motion to close public comment. MOTION TO CLOSE PUBLIC COMMENT MADE BY ACTING COMMITTEE MEMBER SZTENDEROWICZ, seconded by Acting Committee Member Lonardo. Voice vote. All aye.

Seeing no one else come forward, Mayor Horner asked for a motion to close public comment. MOTION TO CLOSE PUBLIC COMMENT MADE BY MR. CONDA, seconded by Mayor Horner. Voice vote. All aye.

COMMITTEE COMMENT:

Mr. Conda stated that this is committee's favorite meeting of the year. This year, the students have outdone themselves. They did a great job. They spent the day with our Administrator and our Municipal Clerk. They got to see how government works and tonight they get to see what we do every day. He congratulated the students and thanked them for taking committee's places this evening.

Mr. McGill echoed Mr. Conda's sentiments. The students did a fantastic job. He also congratulated the Police Department. Great job. You showed how professional you are.

Dr. Taylor-Walls congratulated the students on doing a great job. It is not easy to sit up here and report on everything. She hoped that they had fun today and thanked the students for letting committee share a little bit of what they do with them. She also thanked the Police Department and Township Engineer for their achievements.

Deputy Mayor Segrest commented on how hard the students worked. They had to be in school today, come here as part of their day and then some of them had to compete in sports today and then come back here for the meeting. Very impressive. He congratulated the students.

Mayor Horner told the students they did a fantastic job. None of this is possible without the fantastic faculty and leadership in our schools. Thank you to the faculty and the wonderful leadership.

Acting Mayor Minniti asked for a motion to adjourn the meeting. MOTION TO ADJOURN THE MEETING MADE BY ACTING COMMITTEE MEMBER MARSHALL, seconded by Acting Deputy Mayor Feeley. Voice Vote. All aye.

Mayor Horner asked for a motion to adjourn the meeting. MOTION TO ADJOURN THE MEETING MADE BY MR. MCGILL, seconded by Dr. Taylor-Walls. Voice vote. All aye.

7:27 pm

Duly passed and adopted:
